

Dear Staff,

You all have been such a blessing to us by taking such good care of Roy. It has been so good for him to be there. Hard to start, because he refused to go anywhere. You are all blessed with a special gift to work with people who aren't well. Thank you again for your help.

Sincerely,

Eula Mae

Baumgartner

May the Love,
Joy and Peace that
only He can bring be
yours at Christmas
and always
